

Friends of MCSBC's Quiz & Curry Night

(Including the AGM and the naming MCSBC's new boat)

Saturday 26th January 2008 at Monmouth Rowing Club

AGM

The Friends of MCSBC is a registered charity is required to have an AGM to which all Friends are invited. Friends include all parents of current members of the club as well as former rowers and their parents. The AGM starts at 6.45pm and is intended to last for no longer than 30 minutes. The agenda is as follows:

- Review of minutes from the last AGM
- Report of the activity of the charity over the past year
- Treasurer's report
- Election of the Committee

Membership of the committee is not onerous and requires attendance at just three meetings per year when the Friend's events are planned.

- Chairman: Stephen Moore has agreed to stand for a final year
- Vice-Chairman: post to be filled (role to deputise for the Chairman as necessary)
- Secretary: Susie Nagle (standing for a further year)
- Treasurer: Dan Cowton (standing for a further year)
- 4 committee members: due to children leaving the school all these roles are now vacant

Boat Naming

Several months ago, MCSBC purchased an ex-demonstration high performance double scull. The boat has already seen action winning at its first event and a 2nd position at the second event. The boat is to be formally named after our recent Captain, Anna Woodman. Anna made a huge contribution to the club during her two years as Captain. Amongst her many successes were the organising of our most profitable fund-raiser, a world record 24 hour Ergothon, raising £6,500 for club funds.
