Monmouth Comprehensive School Boat Club
"Kymin Biathlon 2012"
Sat 10th March

Name: Sheet no:

Members of the Boat Club will run up the famous landmark hill of The Kymin, followed by a 10 mile bike ride alongside the River Wye. The event will raise money for the "Friends of Monmouth Comprehensive School Boat Club" (registered charity no. 1150581). All the funds raised will go to this charity. The charity is a vital support for the activities of the boat club, allowing the membership fees to be kept as low as possible and giving the best possible opportunities for all athletes to train and race regularly, developing their personal skills of determination and focus in an enjoyable environment. In addition to these essential running costs, equipment has also been purchased or refurbished with the proceeds of the event in past years.

GIFT AID: This is a fantastic extra support for the club, with almost £1,000 added to the final total from Gift Aid in 2011. If you are a UK tax payer, please tick the box and give the basic address details needed so we may reclaim a further 22% from HMRC.
