September 2021

Dear parent/athlete

Welcome to a new year of rowing at Monmouth Comprehensive school Boat Club, this document is introduction the year and how we plan to move forwards this academic year. Due to the turbulent nature of this year, the club has needed to adapt and find new solutions to an ever changing situation. It is our aim to provide as much as we can and ensure that all members feel the full enjoyment of the sport this academic year.

Philosophy of MCSBC

The progress and development of athletes as rowers and young people is underpinned by our philosophy, as follows:

"We aim to support students with coaching to be the best they can be, raising these aspirations through improved performances over time. We are invested in the development of both physical and mental attributes to help students with their ambitions in all aspects of school life. Ambition, Adversity, collectivism, fulfilment, are the pillars in which we hope to develop in each of our members."

How to sign up for this year

A link to the digital consent form can be found on our website:

MCSBC 2020-2021 Membership Consent Form – Click the link <https://forms.gle/jCcCtsrucRzXXyFF9>

PDF versions of the all the content of the information pack can be found on the club website or by email.

Any issues filling out the digital form please contact, Matthew Royston if you have any difficulties filling out the form via mcsbc.monmouth@gmail.com

Rebuild and raring to go 2021-22

This year will see the return to racing for MCSBC. After a limited season last year, we hope to rebuild the success which club once had before the pandemic. As a club we must think optimistically in what can be achieved over the next 10 months. We need to embrace the challenges of a racing year, which we have not fully experienced since 2018-2019. The highs and lows of a season must be celebrated as club and used as motivation to get through difficult times. It is now more than ever before we should come together as a club to build success both on and off the water.

Next year will mark the 30th anniversary of the clubs existence, this landmark occasion will be celebrated throughout the year. Each year this club has developed and has grown, past successes have inspired the next generation of athletes to go that next step beyond. While we look to break new ground and forge a new pathway forward. The lessons and benchmarks set before us, should still be the standard to which we must be measured by. I encourage everyone to look back at what was achieved by our former students, and I encourage you to look at what our former students have gone on to do since leaving the school. As a club we will continue the legacy this club has established for the last 29 years. When we reflect on the year in July of next year, remember that we might still be on our way to success and that when we achieve our goals. Enjoy it!!

Kit

We are excited to say we still have our online shop with Kitcrew this year, where you can purchase our club kit throughout the year. We felt ordering throughout the year would allow members greater access and opportunity in experiencing the kit. We will be making an All in one purchase once the membership is confirmed, all new members to the club will be expected to purchase an All in one as it is part of our racing uniform. Older members may wish to purchase a new one and this option will be made available at that time. The all in one is not available via kitcrew and is a specialised order. we may not have all sizes and we recommend you wait till the order if you wish to purchase an All in one.

Kitcrew MCSBC link - http://thekitcrew.co.uk/epages/dcb3c08d-ef3b-4bfe-a6f0-e858a53afc15.sf/en_GB/?ObjectPath=/Shops/dcb3c08d-ef3b-4bfe-a6f0-e858a53afc15/Categories/EC008900

Membership Fee

The membership fee for the academic year is £205. After the deadline to complete the form, the option to pay for membership will be made available via Parentpay.

British Rowing license is £29.50, this license is required for racing and insurance. All members are required to have a license and it is a separate payment to the membership fee. This will also be made available on Parentpay.

Events Calendar

This year we will be able to make a racing return as covid restrictions have begun to ease. A racing calendar can be found on our website.

<http://www.mcsbc.co.uk/events.htm>

The calendar has all the possible events we may race at this year. We hope to provide an updated calendar at the start of every term for racing during that term. This will be done via our weekly updates. We hope to race year 10 by the end of the first term at either Wycliffe Head or our home Head, Monmouth Winter Head.

We heavily depend on volunteers to help support us at these events. If you would like to be a volunteer, please get in touch. As we plan to take large groups of students to these events, an extra pair of hands is greatly appreciated.

Term 1 Sept-Dec race calendar

Sunday 26th September – Monmouth Autumn Head

Sunday 7th November – Stourport Small Boats Head

Saturday 20th November – Avon Autumn Big Boats head

Saturday 4th December – Wycliffe small boats Head

Sunday 5th December – Monmouth Winter Head
