

### **Worcester Head**

A wonderful day yesterday. Well done to everyone for such a positive start to the events which are now running most weekends up to the Summer half term. Four wins from six events! These wins have been updated on our website. Presentation of "pots" will take place in assemblies this week.

The support from so many parents and families was fantastic. Thank you. If parents wish to join us to support on race days and haven't done so before, please do get in touch with any questions.

I will be concluding crews for the National Sculling Head over the next week. Crews decided so far are on the website.

### **Senior Training Schedule**

The next cycle for the training programme is now on the website. An amendment for Lucy's weights sessions will be issued later today.

There WILL be training on MONDAY MORNING.

### **Easter Training Camp in Belgium**
