

Quiz & Curry Night (starting with the Friends of MCSBC AGM)

This pleasant, enjoyable evening is being held on Saturday 30th January starting at 6.30pm for the AGM and 7.30pm for the Quiz & Curry night. There are 50 places and ticket/price information is on the MCSBC website. PLACES REMAIN, please let me have tickets requests by email or using the booking form in the next few days, so we can confirm catering numbers.

This event begins with the optional AGM for the Friends charity. Please be there if you can.

Rowing this week

Usual training programme for the coming week. I am hoping to do more rowing after school soon, but we are restricted by coach availability with a parents' evening and an open evening taking me out in the coming weeks. An amended schedule will follow soon.

Upcoming events: Wycliffe, Worcester, Avon County, National Junior Sculling Head

We are starting one of our busiest periods of racing in the entire year. We have substantial entries in all these events and there is now a lot of detail on crews on the website. The entries are expensive so please check to ensure I have accounted for your availability.

Fund Raising Half Marathon

All sponsor forms have now been given out. Further copies are available from the link at the top of the MCSBC home page. I cannot emphasise highly enough how important this event is to the financial security of our club. Simply put, if our efforts are successful, we will be able to keep membership fees at the current level and continue to keep a large fleet of boats in racing condition. Your best efforts in gaining sponsors will be much appreciated.

Regards

DC
