

Welsh Open Regatta

In very difficult conditions, the WJ14 girls won a great race against four Haberdashers crews and Cardiff club, Llandaff. The J15 boys did remarkably well against tough opposition from the Thames Valley, particularly given that they have trained very little recently due to work experience.

National Schools Regatta

All crews for this event are now confirmed. I have also put the details of accommodation and travel on the site. There is a cost for all athletes. Can I please have this £15 cheque asap.

Parental Supervisors for this event:

I am now covered for all roles except a female adult to travel to Nottingham on Fri (lunchtime with the coach or privately by car later on would also work), stay overnight returning on Saturday afternoon. *We cannot race on Saturday without this volunteer.*

Monmouth Regatta

I have entered many crews for Monmouth Regatta and looked to have all available athletes race at National Schools or Monmouth Regatta. If I have overlooked you at all (for example, you feel that you have recovered from injury sufficiently to race) can I please hear from you in the next few days (Wednesday at the latest).

Half Marathon 2009

This is the final reminder for these last totals. I will not include the list on this circular again. Final few amounts in as soon as possible please. According to my records, the following people have still to hand in money. If you think I have got this wrong, please speak to me:

Alex/Lauren Bradley	£20.00
Georgia Hancock	£36.95
David Harris	£5.00
Hana Jones	£6.00
Scott Lea	£27.00
